2 nd CALL FOR ABSTRACTS

OBJECTIVES

The DII-2016 conference is part of the DII conference series on Infrastructure Development and Investment in Africa which aims to provide an international forum for leaders, researchers, practitioners and other stakeholders in infrastructure development to discuss, evaluate and devise ways of maximizing benefits from infrastructure development in Africa and achieve outputs that will inform policy.

CONFERENCE THEME

"ACHIEVING SOLUTIONS FOR RENEWABLE ENERGY AND SUSTAINABLE DEVELOPMENT."

With focus on renewable energy, general infrastructure development and investment in Africa, the conference will address a broad range of topics around infrastructure to evaluate and draw lessons on innovations, empowerment, growth and sustainable development. Leaders, researchers, practitioners and other stakeholders in infrastructure development, engineering and the general built environment are now invited to submit 300-word abstracts on the following topics:

Main topics

- Infrastructure development strategies for developing countries
- Renewable energy for sustainable growth and development
- Human factors in infrastructure development
- Legal and ethical issues in infrastructure development
- Infrastructure finance, procurement and value engineering
- Sustainable development and growth infrastructure
- Appropriate technology and innovation
- Integrative infrastructure development planning
- ICT in infrastructure development
- Social infrastructure development in developing countries
- Infrastructure, climate change and pandemics in developing countries

SUMMIT – Renewable Energy Technologies for Development organized by the Network of Energy Excellence for Development (NEED), a project that is funded by the European Union (EU) and implemented by the African, Caribbean and Pacific Group of States (ACP).

PUBLICATION OF PAPERS AS BOOK CHAPTERS

Accepted abstracts will be developed into papers which would be included in a book on Infrastructure Development and Investment in Africa to be released shortly after the conference.

POSTGRADUATE STUDENT PAPERS

Research papers and proposals are also invited from students for presentation at the conference.
