

INTERNATIONAL RENEWABLE ENERGY SYMPOSIUM (IRES) – NAMIBIA

“Renewable energy for economic prosperity”

29 – 30 October 2015 • Windhoek, NAMIBIA
ABSTRACT SUBMISSION DEADLINE – 28 August 2015
PROCEEDINGS PAPER SUBMISSION DEADLINE – 15 September
NOTIFICATION OF ACCEPTANCE – 29 September 2015

REGISTRATION IS NOW OPEN!

INTRODUCTION

The Scientific Committee warmly invites you to take part in the IRES, towards economic prosperity.

The best professionals and top notch speakers from around the world will share and exchange views on the most appropriate energy options and best methodologies to harness natural energy flows for energy.

AIMS

The Symposium will provide a platform for exchange of ideas towards 100% access to energy in Namibia, and economic prosperity.

Delegates will be exposed to new areas of research and progress in renewable energy projects implementation in Namibia and internationally.

STRUCTURE

Presentation sessions - by invited key-note speakers followed by discussions after each talk.

Parallel sessions – where specialist groups meet to deliberate on their topics, followed by report back and plenary panel discussions on the same.

All symposium papers will be published in Symposium Proceedings and distributed to all Participants.

THEMES

- **Current Energy Situation in Sub-Saharan Africa**
- **Renewable Energy resource availability and technologies, and the environment**
- **Curriculum Development and Capacity Building**
- **Energy Economics and Financing of Renewable Energy Technologies**
- **Policy Environment**
